

## PLANNED GIVING BOOKLETS

The Stewardship Committee is pleased to announce that several informational booklets on planned giving are now available in the back of the church, as well as available to download. Each explains how planned giving works and describes several of the more popular techniques.

- Planned Giving: Stewards of God's Bounty – Each of us has his or her own reason for supporting the organizations and ministries that they cherish. This Planned Giving booklet gives you a basic understanding and describes the different ways of making a gift to Christ Church through immediate, deferred or life income gifts. Click [HERE](#) to download a copy.
- Charitable Gift Annuity: Guarantee an Income for Life – Through a charitable gift annuity you can make a gift to Christ Church and guarantee yourself, or another beneficiary you name, an income for life. This Charitable Gift Annuity booklet provides you with information about how you might create one. Click [HERE](#) to download a copy.
- Charitable Remainder Trust: Help Your Loved Ones and the Church – A charitable remainder trust allows you to make a significant gift to Christ Church while retaining the right for you and/or one or more designated beneficiaries to receive income payments over a specified period of time. In establishing this trust, you may transfer cash, securities and/or other property to a trustee who is responsible for investing and reinvesting those assets, together with any resultant income, and for making distributions to you and/or your designated beneficiary(ies). At the death of the last income beneficiary, the remainder of the trust is distributed to Christ Church. Click [HERE](#) to download a copy.
- Pooled Income Fund: Give and You Shall Receive – A pooled income fund combines your gift with others, and is invested by a team of professionals. The fund pays you and/or chosen beneficiaries an income for life based on the performance of the investments. At the death of the final beneficiary, the principal goes to Christ Church.
