

Christ Church Easton

February 19, 2023

Dear Parishioner:

BUILDING for TOMORROW
CHRIST CHURCH EASTON

Over the past several years, our parish has been involved in much needed repair work to our aging buildings, including a new roof on the rectory, new security hardware in the church building, a new retaining wall, and new lighting for the parking lot. We know firsthand the responsibility and importance of the upkeep and care for our church property, and we are also very proud of the many church leaders and parishioners that give of their time and talents to help in this regard.

At the same time, we recognize that more work needs to be done to maintain our aging church building (work that can no longer be deferred), and that our operating income is insufficient to cover necessary capital expenses/improvements, namely:

- Repair/replace the water lines so that our tap water is once again safe to drink.
- Replace the glass and wood framing of our beautiful church window, which has suffered from years of neglected maintenance and is increasingly prone to leaking.
- Install a new septic system to replace the current antiquated system that no longer adequately services our needs.

Our **BUILDING for TOMORROW** campaign goal of \$100,000 will be attained primarily through your help in bravely reaching out to your networks to tell “*the Christ Church Easton Story*” and ask them to support us, and – as a result – by the generous financial support from the local communities we continue to serve for over 260 years. The campaign will run into the spring, and donations can be made via cash, check, through our new secure online payment system (scan the QR Code below) or PayPal. Enclosed are instructions on how to create a Facebook fundraiser, as well as campaign FAQs and answers to assist you in your outreach efforts. Look for more support resources from the Stewardship Committee in the coming weeks.

At Christ Church Easton, God is already **BUILDING for TOMORROW** in helping us create a community of faith and love in our town and our world, for today and tomorrow. We thank you for all that you do at Christ Church and know that with our Lord’s help we can accomplish these and even greater things.

Love and blessings,

Reverend Ally Brundige
Priest-in-Charge

Vicki MarkAnthony
Senior Warden

PS: We also gratefully appreciate those of you who can contribute financially to this campaign.
